

DEAR FRIENDS,

*The Red Carpet is coming to Mercer County! Who will take home the Golden Statue?*

On March 9th, 2023, the James R Halsey Foundation of the Arts will celebrate its five-year anniversary with our first annual Red Carpet Event! Come celebrate and support arts education over dinner and drinks, while enjoying endless entertainment by comedian, Ellen Karis the “Greek Goddess of Comedy,” and dancing with DJ Jimmy G. The highlight of the night will be our Golden Statue award ceremony, where five local “celebrities” will take be awards for Best Supporting Best Actor/Actress and Best Actor and Best Actress. We are also so excited to honor our first ever Lifetime Achievement Award recipient. Stay tuned to find out more!

The James R. Halsey Foundation of the Arts is a Mercer County, nonprofit organization, whose mission is to inspire, encourage, and create futures opportunities for youth through the means of arts education. Through filmmaking, students gain valuable life and employment skills, while also creating a positive change for themselves and the community at large. We are direct witnesses to the positive impact the Arts has on our students, and know that with your support we can work to reach more youth who cannot find these opportunities elsewhere.

As we prepare for our Red Carpet Night, we are soliciting support in the form of sponsorships, silent auction items, donations and event tickets. Your generous support of the James R Halsey Foundation of the Arts and our Red Carpet Event will help us further impact the youth of Mercer County through our mission to provide an invaluable, comprehensive arts education. For your convenience, we have enclosed a sponsorship form and information regarding ticket purchase with this letter.

We graciously thank you for considering to support our organization, and hope you understand the difference you will make in the lives of the next generation and beyond.
